MAY 2026

CLASS DESCRIPTIONS

♥ Parent/Child Interaction Classes

Gymboree Music: Classes are uniquely and intentionally designed for early childhood development. Play is a fundamental component of early childhood education, and is the cornerstone of every one of our programs.

Little's Play Time: Come for a time of community play with other families and our littlest friends!

Mini Chefs- Pico de Gallo: You and your child work together to create a hands-on opportunity to make a child friendly snack.

Raising a Reader: Raising A Reader is a national program designed to educate parents and caregivers about the importance of early literacy skills and how they can help build these skills in their young children to help them enter school ready to learn. **Parents attend eight weekly early literacy workshops with their children 0-5 years-old.** Families who participate in the program receive 12 high-quality children's books to build their home libraries and are connected to local resources!

Treasure Hunt & Playground: We love spending Saturdays with the whole family! You'll be making your very own treasure box, going on a treasure hunt, and playing with friends on the playground.

Move & Groove Music: Hands-on instrument music class that engages everyone!

Family Play Time: Come for a time of community play with other families and friends!

Big Movement Play: This active class will have you and your child using large muscles and practicing coordination.

♥ Parent/Child Interaction Classes

Open Art: Spark creativity and critical thinking skills in this open-ended art class.

Bug Exploration: For the love of bugs! Join us for a fun, hands-on class where we dive into the world of bugs.

Little's Messy Sensory Play: Ooey, gooey textures provide an opportunity to build new vocabulary and curiosity. It's all about the process, not the product in the end!

Story, Music & Bubbles: Come for an interactive story and play class.

Sensory Play: Join us for this hands-on class exploring and engaging in activities that stimulate your senses!

Dino Day: Explore the world of paleontology in this investigative dinosaur class.

Musical Art- Wind Chimes: Where music and art come together! Come listen to and make an instrument.

Little's Water Day: Splish, splash! Come join outdoor water fun with other children 6-23 months old!

Water Day: Big time water fun for our older children!

Kinder Readiness: Join us for an all-in participation class to help prepare your child for Kindergarten success.

■ Events

Phoenix Zoo to You: Get up close and personal with captivating creatures as the expert staff share stories and information that are sure to leave an impression.

AZ Science Center: We bring the science to you! Science on Wheels Workshops consist of hands-on, grade-specific content based on Arizona State Education Standards.

Tempe Public Library: Ms. Megan will be here to kick off the summer reading program. Be one of the first in the community to participate!

Lunch with Friends: Come for a time of community lunch with other families and friends!

● Parent Support Group

Let's Talk: In need of assistance? Schedule an appointment to come speak with us. We can help find community resources, housing assistance, immunizations, food, child care tuition assistance, child development support, etc.

▲ Workshops

VIRTUAL- Seguridad Alrededor del Agua: La seguridad en el agua es importante para todas las edades, pero especialmente para los niños pequeños. El ahogamiento es la principal causa de muerte por lesiones en niños de 1 a 4 años. Los niños pequeños pueden ahogarse en tan solo una o dos pulgadas de agua, y esto puede suceder de manera rápida y silenciosa. Unase a nuestra clase y aprenda a crear capas de protección para mantener a su familia segura y reducir los riesgos de ahogamiento.

VIRTUAL- Seguridad del Asiento de Carro: Hablemos de la seguridad de los asientos de seguridad. Un técnico certificado en asientos para el automóvil le proporcionará instrucciones e información y usted aprenderá todo sobre la seguridad de sus hijos mientras viajan en su automóvil. Se proporcionarán asientos de seguridad a los participantes que califiquen.

VIRTUAL- Water Safety: Let's talk about car seat safety. A Certified Car Seat Technician will provide instruction and information and you will learn all about your children being safe while they ride in your car. Car seats will be provided to participants that qualify.

VIRTUAL- Car Seat Safety: Let's talk about car seat safety! A Certified Car Seat Technician will provide instruction and information and you will learn all about your children being safe while they ride in your car. Car seats will be provided to participants that qualify.
