Every child is worthy of the opportunity to benefit from contemporary knowledge and treatments that will enhance their dental health and overall well-being. Dignity Health is committed to improving oral awareness and bringing oral health care to the children in our community.

Dignity Health has three dental programs available in the Phoenix East Valley.

- The Chandler Children's Dental Clinic provides preventive dental services to low-income and uninsured children.
- Community dental classes with free supplies are conducted at schools.
- The Early Childhood program provides services in the community at childcare centers, preschools, WIC, and immunization clinics.
