Family Resource Center

November 2026

♥ Parent/Child Interaction Classes

Thankful Turkey Craft - Teaching children to be thankful is an important lifeskill. Have fun creating a take-home craft and bond with your child with gratitude.

Start with Music (Series) - Through music, kids 0-5 and their grown-ups can learn together! Live music experiences with a board-certified music therapist are fun and help you master skills you can use at home. Come sing, dance, and play!

Music & Story Time - Come for an interactive story and play class for our all little learners.

Gymboree Music - Classes are uniquely and intentionally designed for early childhood development. Play is a fundamental component of early childhood education, and is the cornerstone of every one of our programs.

Family Play Day - Come for a time of community play with other families and friends!

Snack with Friends - Join us for a group snack date after the Family Play Day. Be sure to pack your own snack!

Fine Motor Play - Practice using fine motor skills and have fun doing it! You and your child will create and explore using tools to help build muscles in their hands (a Kindergarten Readiness Skill).

Sensory Play - Ooey, gooey textures provide an opportunity to build new vocabulary and curiosity.

Old Lady Who Swallowed a Turkey: Story & Sequencing - Practice school readiness with a read aloud and story sequencing.

♥ Parent/Child Interaction Classes

Littles Play Time - Come for an interactive play class for our youngest learners.

Kinder Readiness: Math - Join us for an all-in participation class to help prepare your child for Kindergarten success.

Mini Chef - You child gets a hands-on opportunity to make a child friendly snack.

Little Artist - You child will learn about a famous artist and practice their art skill.

■ Events

Car Seat Check Event @ Child Crisis Arizona - Drive through and have your child's car seat or booster seat inspected by a child passenger safety technician to ensure proper installation. Email safekidsmaricopa@childcrisisaz.org for more information.

AZ Science Center - We bring the science to you! Science on Wheels Workshops consist of hands-on, grade-specific content based on Arizona State Education Standards.

Phoenix Zoo to You - Get up close and personal with captivating creatures as the expert staff share stories and information that are sure to leave an impression.

STROLLin' in the Park @ Kiwanis - Let's all get outside now that the weather is nice. Walk 'n talk with our FRC crew and other families around Kiwanis Lake. Stay 'n play after at the park!

▲ Workshops

Managing Stress as a Parent (VIRTUAL) - Stress effects all aspects of our lives, including parenting. Explore healthy strategies to manage stress and create a plan to enhance your current parenting practices.

Water Safey (VIRTUAL) - Water safety is important for all ages, but especially for toddlers. Drowning is the leading cause of injury death in children 1-4 years old. Young children can drown in as little as an inch or two of water, and it can happen quickly and silently. Join our class and learn how to create layers of protection to keep your family safe and reduce drowning risks.

Triple P (Positive Parenting Program) - Positive Parenting Program is a multi-level system of family intervention to promote positive, caring relationships between parents and their children, and to help parents develop effective management strategies for dealing with a variety of childhood behavioral and emotional problems and common developmental issues.

● Parent Support Group

Let's Talk - In need of assistance? Schedule an appointment to virtually speak with us. We can help find community resources, housing assistance, immunizations, food, child care tuition assistance, child development support, etc.
